IGEA LETTIERE
TRUCIOLO NATURALE SENZA POLVERE

WWW.TRUCIOLOPERCAVALLI.IT
IMPORTATO DA: FREE HORSE ITALY SRL

Key Benefits of Our Product:

Maximum Savings: Contributes to a significant reduction in weekly additions, optimizing overall litter management costs.

Significant Monthly Savings: Thanks to the product's efficiency and durability, operating expenses are substantially optimized.

High Absorbency: Ensures superior liquid absorption capacity, keeping the litter drier.

Effective Odor Control: Effectively neutralizes odors, improving air quality in the stable.

Easy Cleaning: Simplifies daily cleaning, reducing time and workload.

Animal Safety and Comfort: A safe, comfortable, and dust-free product, essential for equine well-being and health.

Production area cleaned and disinfected every night.

Conveyors and production lines are disinfected between shifts.

Trailers are swept and disinfected before use.

All production buildings are regularly cleaned, washed, and disinfected.
